

End-to-end supply chain evolution

BlueYonder

We've partnered with the world's #1 supply chain platform...

Blue Yonder (BY) provides end-to-end supply chain solutions on a single, cloud-based platform powered by AI and ML for addressing the day-to-day and strategic vision of the supply chain.

Supply Chain

Warehouse Management	Transportation Management	Inventory Availability	Order Commitments
Category Management	Pricing	Order Services	Order Fulfillment
Demand and Fulfillment	Assortment Planning	Commerce Insights & Actions	Sales & Operations
Pricing	Workforce Management	Inventory optimization	Production Planning

Data Management Services (DMS)

...to deliver end-to-end supply chain synchronization and intelligence.

Softtek seamlessly aligns with your organization's strategic goals and integrates BY with other systems to create results for the whole team.
