

# UNLOCK THE VALUE OF ATlassian SOLUTIONS WITH SOFTTEK SERVICES

## ATLASSIAN SOLUTIONS

### FOR SOFTWARE TEAMS

**Made for “You build it, you run it”**

Jira Software is the go-to project management tool for Agile teams and DevOps. Break the development-operations barrier and keep teams coordinated to plan, track, and deploy world-class software.

- ◆ Jira Software
- ◆ Bamboo
- ◆ Bitbucket
- ◆ Sourcetree
- ◆ Fisheye
- ◆ Crucible

### FOR IT SERVICE MANAGEMENT TEAMS

**Resolve Incidents Faster!**

Jira Service Management works as a standalone tool or connects to existing tools and other Atlassian solutions, giving development, operations, and support a collaborative platform to resolve incidents and coordinate the services teams expect.

- ◆ Jira Service Management
- ◆ Opsgenie
- ◆ Statuspage

### FOR SOFTWARE TEAMS

**Move work forward!**

Designed for marketing, HR, finance, and other business teams, Jira Work Management helps your teams manage workflows, projects, and processes, no matter the complexity.

- ◆ Jira Work Management
- ◆ Confluence
- ◆ Trello

## ENTERPRISE SERVICES

We're a trusted Atlassian Silver Partner prepared to take your Atlassian solutions integration to the next level. From consulting and coaching to custom technical services, Softtek is the cross-disciplined partner to ensure your success with Agile, DevOps, ITSM, and business tools from Atlassian.

#### Consulting

Work moves fluidly across the organization with Atlassian solutions. Softtek helps you find the perfect mix.

#### Technical Advice & Implementation

Softtek guarantees a smooth implementation and configuration of your Atlassian stack, with technical and business support to set you up for success.

#### IT Operation Support

24/7 Service Desk for L1, L2, and L3 support.

#### Training

Softtek provides Atlassian product training and can bring on coaches to boost your teams' Agile and DevOps maturity.

#### Quoting & Purchasing

The one-stop shop for your Atlassian solutions and services. We can help to quote and purchase based on your custom Atlassian stack.

## ATLASSIAN LICENSING

Softtek helps you evaluate which Atlassian deployment model is the best fit.

### ATLASSIAN CLOUD

No servers, no storage, no maintenance. Configurable licensing up to 2000 users and storage of 250 GB of information.

### DATA CENTER

Your infrastructure, your rules. License an unlimited number of users and define your own storage limit.

Founded in 1982 by a small group of entrepreneurs, Softtek started out in Mexico providing local IT services, and today is a global leader in next-generation digital solutions. The first company to introduce the Nearshore model, Softtek helps Global 2000 organizations build their digital capabilities constantly and seamlessly, from ideation and development to execution and evolution. Its entrepreneurial drive spans 20+ countries and more than 15,000 talented professionals.
