

MICROSOFT PLATFORM SERVICES

Softtek is the Largest Provider of Microsoft Solutions in Latin America.

Softtek helps organizations accelerate their digital transformation using Microsoft platforms and technologies. Softtek's portfolio of Microsoft services, including cloud, CRM, BI, development environments and end-user solutions, will help you gain competitive advantage, open new lines of business and prepare you for what comes next.

Softtek is the Preferred Partner for Hundreds of Microsoft Clients

Softtek has been a Microsoft Certified Partner (MCP) for more than 14 years. As one of the six companies in the world certified as a Microsoft Managed Services Partner, Softtek considers the world's most experienced Microsoft consultants as part of its team.

In addition, our Microsoft Cloud Center of Excellence delivers Windows Azure and MS Dynamics' solutions via the cloud. Our skilled experts are focused on accelerating the implementation of cloud-based solutions, including migration, consolidation, and modernization services.

OUR TEAM OF 2,500 EXPERTS cover the entire spectrum of Microsoft technology. We can manage the full stack of application lifecycle technologies—from development, implementation, migration, to modernization and maintenance of any solution.

Digitizing the Modern Workplace

Next Generation Customer Experience

Founded in 1982 by a small group of entrepreneurs, Softtek started out in Mexico providing local IT services, and today is a global leader in next-generation digital solutions. The first company to introduce the Nearshore model, Softtek helps Global 2000 organizations build their digital capabilities constantly and seamlessly, from ideation and development to execution and evolution. Its entrepreneurial drive spans 20+ countries and more than 15,000 talented professionals.
